NEWS FROM THE SELECTMEN

We are pleased to welcome Jennifer Cesaitis as our newest board member. Jennifer was appointed following the resignation of former Selectman Thomas Rothermel. She brings valuable experience from her years of service on the Recreation Commission and as a member of the Town Budget Committee. We look forward to working with her and are confident she will be a great asset to our office.

TOWN COMMITTEE MEMBERS

The Board of Selectmen are accepting written letters of interest from anyone interested in filling vacant positions for town committees. Throughout the year, vacancies often arise, and there are also alternate member positions available. Serving as an alternate is a great way to become familiar with the proceedings of a board or committee before becoming a full member. If you are interested in serving on a particular town committee, please send a letter indicating your interest.

FDNA NEWS

FDNA - If you are struggling with the cost of living, there are a few ways the Fitzwilliam District Nursing Association and our partnerships can help. We strive to bring good health choices to our town residents.

Vegetables: We are happy to CONTINUE OUR PARTNERSHIP with DOG DAYS CSA! We offer free summer vegetables to Fitzwilliam families. FDNA is delighted and proud to offer and deliver free vegetables around town. We purchase farm shares from Dog Days CSA and we receive matching donations of vegetables from the farm. This allows us to provide free produce to those in need throughout our town! There are no qualifiers to participate. We know the difficulties families have with food insecurities and the skyrocketing overall cost of living. The partnership allows us to provide good nutrition to our neighbors. You can call to ask for vegetables or submit the name of a friend or family member. The farm grows over 40 different vegetables! What is your favorite? Deliveries will start July 1.

If you would like to receive vegetables this year, please call Laurie Lafond at 585-9410 and leave a message or send an e-mail to lpwlafond@gmail.com. We provide vegetables every other week to each participant. If you received food in December or if you received vegetables in past years, you can still sign up for free vegetables this year! FDNA cares about the health and wellbeing of our community - we're here to help - it's our mission. Backyard Farmers - At times we receive additional contributions from local farmers/growers whose own gardens have overgrown. If this ends up being a

predicament for you this summer, call us and we'll be delighted to redistribute for you.

Saturday Food Savings: In April we started augmenting the Fitzwilliam Community Church's Blessing Box with additional items including some fresh choices. Our first Saturday of the month had a great turnout but our second Saturday, not as much. As we try to gauge the need for our community, we will continue to offer extra **free food savings ON Saturday May 9 and 23 from 9:00 a.m. - 12:00 p.m.** The "extras" are brought to you by the FDNA and are provided by The Community Kitchen. The Blessing Box at the church has many necessities available other than just food items. They do fantastic work. Check it out!

Scholarship - FDNA offers a scholarship every year available to students who are interested in any health-related field of study. This can be anything - nursing, physical therapy, speech therapy, pet care, social issues, nutrition and more. All you have to do is call and tell us how you will make the world a better healthier place and you can be considered for these modest funds. The scholarship is available to graduating seniors, adult learners, those attending a certification program or ANY back to school student.

Please call 585-9410 and leave a message or e-mail lpwlafond@gmail.com. We look forward to helping you!

FDNA providing services in Fitzwilliam for 106 years! Health and Happiness to All!

FITZWILLIAM GARDEN CLUB

In April the Fitzwilliam Garden Club enjoyed a program presented by Nicole Hertel of NH Audubon about the relationship between pollinators and plants. We also enjoyed a potluck dinner and desserts made by our members and enjoyed the company and the presentation.

In May we plan to visit the garden of Michelle Challice of Healthy Home Habitats in Keene. Michelle will demonstrate how she gardens to harvest rainwater with and without gutters in her own garden. She will demonstrate three different approaches and what aspects make this enjoyable, safe and satisfying.

SAVE THE DATE: Our spring plant and bake sale will be held on the Fitzwilliam Common on **Saturday May 30 from 9 AM to Noon**. Come join us to buy plants from our gardens, plants purchased locally and enjoy our delicious baked goods. More information will be posted on our Facebook page.

Come share our love of gardening and learn more about ways we can help wildlife and the environment. We always welcome new members. Our Facebook page provides information about what we do, but you can also email us at fitzwilliamgardenclub@gmail.com for more information. We always look forward to learning new things and meeting new people.

FITZWILLIAM COMMUNITY CHURCH

Happy spring everyone! Come celebrate the season with us at Fitzwilliam Community Church.

The warm weather is finally here! Now is the time to enjoy the sun and the gardening season, to take time to share love and happiness with everyone, and to remind yourself that helping others is also helping yourself. We want to thank the community for supporting our events over the past several months. We are blessed to have a caring and compassionate community.

Our first event will be our **Rummage and Bake Sale on Saturday, May 2**, from 9:00am to 1:00pm. Snack on tasty homemade baked goods while you find the latest bargain on previously-owned spring and summer clothing. The church will be open the week leading up to that Saturday for drop-offs; drop-off times are 9:00-6:00, Monday through Friday. Please insure that the clothes are clean and gently-used items -- clothing only, no furniture, electronics, etc.

Community Luncheon will take place again this month on **Tues. May 12** starting at noon. Join us for our last lunch of the season before we take the summer off. It is always free and come-as-you-are. Enjoy some fellowship and nourishing soup with your neighbors. We can deliver food for those who can't make it, and we also offer rides for those who would like to join us. Call the church at 603-585-3352 if you need a hand.

We welcome everyone to our **Bible Study on Tuesdays** (except Community Lunch day) at 10:30am. Bring your own Bible or use one of ours. It's come as you are, so there are no reading assignments. Our text is the lectionary reading for that week

We wish all our neighbors a joyous Spring!

LAUREL LAKE ASSOCIATION NEWS

THE LAKE HOST PROGRAM

Invasive weeds and other aquatic invasive species can significantly diminish the overall health and water quality of a water body such as Fitzwilliam's Laurel Lake. The Laurel Lake Association works with NH LAKES to keep our lake free from these invasive species which often hitchhike their way into water bodies on boats and trailers entering via public boat ramps. A cornerstone of this effort is the Lake Host program which provides in-person hosting and courtesy boat inspections at the Laurel Lake public boat ramp.

Our Lake Host program is our first line of defense against invasives coming into the lake, and in previous years our Lake Hosts have spotted and removed milfoil, fanwort, and other invasive species from boats and trailers entering the lake. Laurel Lake's water quality and ecosystem health are outstanding, and we are very fortunate to have kept invasives like variable milfoil from our waters. This is good news for boaters, fishermen, swimmers, and property owners alike. This summer consider becoming a Lake Host volunteer or a part-time paid Lake Host. Or, if you are a business consider joining KG Automotive Solutions, Tri-City Marine Sales, and Flavor Smart Beverage Group as a business sponsor of Laurel Lake's Lake Host program.

WATER MANAGEMENT PLAN GRANT PROJECT UPDATE

The Laurel Lake Association (LLA) and the Town of Fitzwilliam were the joint recipients of an EPA Clean Water Act grant, via the NH Department of Environmental Services, to develop a watershed management plan for Laurel Lake. NH's Southwest Region Planning Commission (SWRPC) has administered the grant which involves evaluating the physical area around the lake, identifying sources of

potential or current runoff which can negatively impact the quality of the lake's water and wildlife, and developing a plan to mitigate those problem areas.

A project team consisting of town officials, LLA members, SWRPC, and hired consultant FB Environmental Consultants have been working on this project since spring 2025. This project team has completed several study result reports to be presented to the community in the months ahead. To that end, plans are underway for two public presentations by the project consultants.

One presentation is to be directed to the Fitzwilliam community at large in late summer and will include speakers from NH LAKES discussing their Lake Smart program along with study results of watershed management best practices. The second presentation is to be more focused on the Laurel Lake community at the July Laurel Lake Association annual meeting and will include a summary of the full project outcomes. Further details on both presentations will be provided on the LLA website and social media in the coming months.

NEW MESSAGE BOARD

The Laurel Lake Association is pleased to announce the installation this summer of a second community message board at Laurel Lake public boat ramp. This second message board has been approved by the Fitzwilliam Selectmen and will be dedicated to news and events specific to the Laurel Lake Association and lake community. It's design matches the existing Town of Fitzwilliam message board.. The new LLA information and events kiosk has been fully funded by members of the Association, and it will be installed by Memorial Day weekend.

FITZWILLIAM MEMORIAL DAY OBSERVANCE

The Fitzwilliam 2026 Memorial Day Observance will be on Monday May 25th and will begin with the gathering of the parade participants and bicycle contest participants from 7:30 to 8am along Richmond Road near the back of the Fitzwilliam Inn.

The parade will step off at 8:00 AM and proceed to the Village Common for the program. Music will be provided by the Monadnock Regional High School Band. The ceremony on the Common will include a prayer, patriotic music by the MRHS Band, presentation of the colors, military firing salute and taps played by trumpeters from the MRHS band.

The next stop of the day will be at the Village Cemetery on Richmond Road with a ceremony including a prayer, wreath placement, firing salute and taps. This is the same ceremony order as last year. We will be dedicating two new veteran's headstones for two Fitzwilliam veterans of the Revolutionary War that were previously in unmarked graves. This will be the second unmarked grave that we have been able to honor with a veteran's marker.

Following the ceremony at the Village Cemetery, the participants will proceed to the Fitzwilliam Depot Common. The ceremony at Plante Memorial Park includes a prayer, wreath placement, firing salute and taps.

The day's events will conclude at the Pine Grove Cemetery on Royalston Road with a prayer, wreath placement, firing salute and taps.

Everyone is welcome and please bring chairs for your comfort if desired.

PATRIOTIC DECORATED BIKE CONTEST

We will have a "patriotic" decorated bike contest as part of our Memorial Day observances. Additional information will be sent home with the Emerson students. Helmets are required and parents may accompany the participants in the parade. Judging will be at 7:45 in the parade assembly area on Richmond Road behind the Fitzwilliam Inn. Trophies and gift certificates will be award to three participants as determined by the judges.
