## FITZWILLIAM HISTORICAL SOCIETY NEWS

### *A letter from the Chairman of the Board of Fitzwilliam Historical Society*

Dear Residents of Fitzwilliam,

Did you know that Leroy Blake - son of the lawyer, statesman & inventor whose former home holds one of the most comprehensive collections of town history, was a member of the *Improved Order of Red Men*?

"What's that?" you ask, "Is it important?"

"Well, I guess it's time you visited your town's Museum and found out! "

"Why?" you ask.

"Because the history of your town from when it was first granted to Roland Cotton and his 44 followers 1752 until the late 1900's is there. I don't mean just a story to read, or old stuffy artifacts (we have those too!) – It means stories of the real people who...

- ~ birthed the first baby (a girl) under an oxcart
- ~ were great generals that hosted weary travelers
- ~ became famous artists that left us their work
- ~ brought the railroad to Fitzwilliam
- ~ were part of a regiment that did not quit its training 12 years after the Revolution
- ~ or played in a full Marching band
- ~ or were clockmakers, quarry workers, store owners, family and friends that have left to us one of the

most iconic towns in New England. Come learn about these people of Fitzwilliam and more. *Step inside and step back in time! Call and book a tour today* because the most repeated comment after a tour is, *"We will have to come back and spend more time!"*

Now that we have had our conversation, I hope I have convinced you to visit the museum very soon. There will always be another day to play in the park, swim at the lake, watch a game, but there may not always be a day to visit your Museum. Times have changed, and although we have tried to reach out to the community of Fitzwilliam in many ways:

- Warrant Petition
- Historic Celebration
- Women of Fitzwilliam Event
- Depot Day Trail Run, Easter Event, and more...

Only a few good people have helped out. We are very appreciative for a volunteer treasurer, for the check that paid to repair the Museum's roof and for the ways that children have given their time to help with inventory & those who have pitched in at events. But it takes more than a few people to run a society, a museum and put on events to pay for the upkeep and maintenance of a three story house with 13 rooms of artifacts! Not to mention insurance, security, advertising, and connections to the community. We need your help!

I am tenacious and stick with most things and look at every angle to make something work- so this is yet another way to ask for your time, your energy, and your ideas to ensure this unique, special place does not close forever. A year ago, I thought our small membership could save the Museum on our own - I know now, that is not possible for so few to do so much.

How you came to be in Fitzwilliam, or when you will leave, I do not know - but you are here now - you are part of our history. Put your name in the Museum's register and learn something about your town's history you can brag about it!

**Volunteer to help at an event, be present, make a donation, and help save your museum now!** I know you will find something of interest to hold on to, so that you have a proud connection to this amazing historic place and all it has been through.

**Participate in your town fair on October 11 and show that you care, that you belong and all is not yet lost.** Send us an email ([fitzhist@gmail.com](mailto:fitzhist@gmail.com)), fill in the form on our website ([fitzhistoric.org](http://fitzhistoric.org)), stop by when there is a car in the drive or call 603-585-1000. Please do something - WE NEED YOU!

Respectfully,  
Karen Beitler

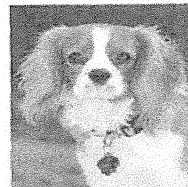

## FROM THE SELECTMEN'S OFFICE

We are seeking Community Input for our Hazard Mitigation Plan Update. The Town of Fitzwilliam is in the process of updating its Hazard Mitigation Plan, a vital tool used to identify local risks—such as flooding, severe storms, and winter weather—and to outline strategies that reduce their impact on our community. As part of this effort, we are seeking input from residents, business owners, and other stakeholders through a brief Hazard Mitigation Survey.

Your feedback will help the town better understand which hazards concern you most and what steps you believe should be taken to improve community resilience. Whether you've lived here your whole life, just moved to town, come to Fitzwilliam for work, or stay for part of the year, your perspective is valuable. The survey will be open until September 15th.

You can take it online by scanning the QR code below, going to <https://forms.office.com/r/ttUPxu1MuR>, or filling out a hard copy at the Town Office, Library or Police Department. Thank you for helping us plan for a safer future!

The Town has support for this project from NH Homeland Security and Emergency Management and Southwest Region Planning Commission. Questions? Please contact Henry Underwood, Senior Planner at SWRPC at [hunderwood@swrpc.org](mailto:hunderwood@swrpc.org) or the Board of Selectmen at [fitzwilliamnh@fitzwilliam-nh.gov](mailto:fitzwilliamnh@fitzwilliam-nh.gov).

**GUACAMOLE**

2 avocados, peeled, seeded, and sliced  
 2 garlic cloves, pressed  
 1 shallot, minced  
 2 tablespoons lemon juice  
 1/2 teaspoon Worcestershire sauce  
 1/2 teaspoon salt  
 Several drops of Tabasco sauce  
 1 tablespoon chopped fresh cilantro

Place the avocado slices on a large plate and mash them with a fork. (This method creates a consistency that is smooth yet texturally interesting.)

Blend in the garlic, shallot, lemon juice, Worcestershire sauce, salt, and Tabasco. Mix in the chopped cilantro.

Transfer to a bowl and lay a sheet of plastic wrap directly on the surface to retard browning.

Refrigerate for 2 to 3 hours or until lightly chilled.

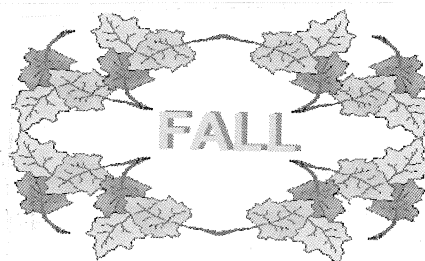

**MORE GOOD NEWS FROM THE FDNA!**

Please join us AGAIN for FREE FOOD SHARES. FDNA members are giddy with excitement that we can continue to bring a mobile food pantry to Fitzwilliam in September. Join us on Saturday, September 13th, between 1:00 and 3:00 p.m. for distribution of food products including meat, eggs, bread and many nonperishable products. We'll have lots and lots to give. The Fitzwilliam Inn is our distribution site. Anyone in the Monadnock Region can attend.

We think this is a great program supported by The Community Kitchen and Monadnock Healthy Alliance. If you have come before - please come again! Take some stress off of your grocery bill. If this is your first time attending then we welcome you with open arms. It's going to be great! Please remember to bring ID.

CONTINUED GOOD NEWS: Our October event will be held on the 18th - so mark your calendars now!

## FITZWILLIAM GARDEN CLUB

On August 23 we held the Garden Clubs fall plant and bake sale at the same time as the Library book sale. Mums and asters were featured along with plants dug from our own gardens and houseplants. We enjoyed seeing returning customers and helping people choose the appropriate plants for their properties. All proceeds are used for civic beautification and to provide scholarships for local students.

On August 28, we had a presentation from Aaron Abitz, the owner of Fassett Farm Nursery in Jaffrey. This nursery specializes in native plants, provides consultations at local properties and installs and maintains the plants they choose. Aaron spoke about how he designs and chooses species for specific sites and reduces the reliance on lawns while stressing the importance of using native plants to feed local insects and sustain wildlife.

In September, we will hold a potluck dinner with Jane Raymond of UNH Cooperative Extension who will present a program on invasive plant species and how to identify and deal with them. We are seeing invasives everywhere, and it is a constant effort to kill them and prevent their spread.

We always welcome new members. Check out our Facebook page to see what we are all about or email us at [fitzwilliamgardenclub@gmail.com](mailto:fitzwilliamgardenclub@gmail.com) for more information. Gardening can be fun!
