## FITZWILLIAM HISTORICAL SOCIETY

### MARCH NOTE

Hello everyone! Are you as anxious for spring as we are? While the weather may still be cold outside, we have some AWESOME events coming up this spring. Here are some important dates to remember.

#### **March 11 - Annual Town Meeting**

We have had such amazing feedback and support from community members on our Warrant Article! For anyone still unfamiliar with what we are proposing, here it is in full:

*(1) accept the title to the Amos J Blake House Fitzwilliam Museum by deed the Fitzwilliam Historical Society and (2) to accept transfer of a percentage of the assets of the Fitzwilliam Historical Society to be placed in a town administered Trust Fund which shall be used for the purpose of maintaining, improving and expanding public access to the Amos J Blake House Fitzwilliam Museum.*

Any and all questions regarding this bill can be asked at Town Meeting. We hope to see you there!

#### **March 15 - "1825 - 2025: 200 Years of Fitzwilliam Women's History"**

**12 p.m. at the Fitzwilliam Museum**

To celebrate Women's History Month we will be hosting a short lecture on local women's history followed by a leprechaun scavenger hunt!

#### **May 31 - Depot Day & Cheshire Rail Trail Fun Run**

That's right! Depot Day and the Cheshire Rail Trail Fun Run will be happening in May this year! We're once again partnering with our friends at the Troy Historical Society to bring our communities together for a fun day honoring the history of our famous depots. Come out for games, food, historic games, and craft vendors!

Runners looking to register for the fun run can do so by visiting our website: [fitzhistoric.org](http://fitzhistoric.org)

Stay tuned for more news and fascinating Fitzwilliam history in the coming months! Thank you all, as always, for your support! Please follow us on social media for the most up to date FHS happenings!

Sincerely,  
 The Fitzwilliam Historical Society

## LAUREL LAKE ASSOCIATION NEWS

Heads up for boat owners: Per information from NH LAKES all boats registered in the State of New Hampshire must now display a secondary decal. The addition of a secondary decal is a requirement of House Bill 1304, which became effective Jan. 1, 2025. House Bill 1304 was passed in 2024 protecting federal funding for the New Hampshire Marine Patrol and providing a way for the state to collect boating fees that support critical programs, including aquatic invasive plant management and prevention activities.

The Laurel Lake Association works closely with NH Lakes to keep our lake free from invasive weeds and other aquatic invasive species. A cornerstone of this effort is the Lake Host program which provides in-person hosting and courtesy boat inspections at the Laurel Lake public boat ramp. Laurel Lake's water quality is rated as among the best in NH, and we're very fortunate to have kept variable milfoil and other invasives like Asian clams from its waters. This is good news for boaters, swimmers, fishermen, and property owners alike. The Lake Host program is considered a first line of defense in keeping invasives from Laurel Lake. In fact, our volunteer and paid Lake Hosts have made multiple "saves" in recent summers by spotting invasive weeds hitchhiking on boats coming into the lake at the boat ramp! Think about volunteering some time this summer to be a lake host.

**WE ARE NOW SEEKING PART-TIME PAID LAKE HOSTS FOR THE 2025 SEASON!** This is a great part-time summer job for anyone 17 years or older. It's also a way to contribute to the health of our beautiful lake! Hours are flexible with some weekend work required; this is outdoor work. This position pays a minimum of \$14.50/hr. (salary is dependent on related skills and experience) and offers approximately 18-20 hrs./wk. employment opportunity between May 19 and Sept 14, 2025. For paid Lake Host job duties, application process, and additional information, visit our website at <https://www.laurellakeassn.com/water-quality-environment>.

### TOWN MEETING VOTING – MARCH 11, 2025

The Board of Selectmen urges everyone to get out and vote at this year's annual Town Meeting. Voting will be held in the Lower Hall of the Fitzwilliam Town Hall on Tuesday March 11<sup>th</sup> from 11:00 am to 7:00 pm. on articles 1 through 9 of the town warrant. At 7:00 pm the business meeting (town meeting) begins in the Upper Hall of the Town Hall. The Moderator will read each article on the warrant and voters will have an opportunity to discuss, amend if they wish and then vote on the article. The complete warrant and budget are printed on colored paper in the back section of the 2024 Annual Report. We hope to see many voters at Town Meeting.

### 2024 ANNUAL TOWN REPORT

The annual Town Report will be available for pick up on March 3, 2025. These can be obtained at the Fitzwilliam Town Hall, Library, and Transfer Station. You can also view this on the town website [fitzwilliam-nh.gov](http://fitzwilliam-nh.gov). We have created a voter's guide this year which gives a more comprehensive explanation of the individual warrant articles and the tax impact of each item. A copy of this document is available on our website [Fitzwilliam-nh.gov](http://Fitzwilliam-nh.gov) or a copy is available at the Town Hall and Library.

### TOWN COMMITTEE MEMBERS

The Board of Selectmen are accepting written letters of interest from anyone interested in filling vacant positions for town committees and boards. Throughout the year we often have vacant positions that need to be filled. There are also alternate member positions available. Being an alternate is a great way to become familiar with the proceedings of a particular board or committee before becoming a full member. If you are interested in serving on a particular town committee, please send a letter indicating your interest. We will also be forming a Community Center Study Committee if the warrant article to fund this is passed at Town Meeting. If you are interested in serving on this, please contact our office.

### MEETING SCHEDULE

For the most up to date meeting schedules, please check the Town of Fitzwilliam website [Fitzwilliam-nh.gov](http://Fitzwilliam-nh.gov). If there are any changes or cancellations to scheduled meetings, notices are posted on this website.

### Board of Selectmen

#### GARDEN FRESH TOMATO SOUP

- 4 cups chopped fresh tomatoes
- 1 slice onion
- 4 whole cloves
- 2 cups chicken broth
- 2 tablespoons butter
- 2 tablespoons all-purpose flour
- 1 teaspoon salt
- 2 teaspoons white sugar, or to taste

In a stockpot, over medium heat, combine the tomatoes, onion, cloves and chicken broth. Bring to a boil, and gently boil for about 20 minutes to blend all of the flavors. Remove from heat and run the mixture through a food mill into a large bowl, or pan. Discard any stuff left over in the food mill.

In the now empty stockpot, melt the butter over medium heat. Stir in the flour to make a roux, cooking until the roux is a medium brown. Gradually whisk in a bit of the tomato mixture, so that no lumps form, then stir in the rest. Season with sugar and salt, and adjust to taste.

March is a very busy month, especially for us at Fitzwilliam Community Church!

Lent begins on Ash Wednesday, March 6. We will be holding our **Ash Wednesday Services at noon and 5:30** with the imposition of ashes.

Far from being somber, this Lent our emphasis will be on hospitality and good meals in good company. Our **Lenten Suppers take place on Thursday nights at 5:30 pm** (March 6, 13, 20 and 27). These are simple potluck suppers for fellowship, followed by a devotional reading and discussion. They are free and all are welcome.

Our monthly **Community Luncheon will take place Tuesday, March 11 from 12pm - 1:30pm**. This has proven to be a very successful event, where people gather for a nourishing lunch of soup, breads, and sides. It is our way of gathering anyone who might need a good excuse for getting out and visiting together. It is always free, and we offer rides for those who need transportation. Just call the church at call 603-585-3352. We can also deliver meals for those who need them.

All are welcome at our services, whether you believe a little or a lot, whether you were brought up in church, haven't been back in a while, or have never tried church at all. You will find us to be a group of seekers, more interested in exploring the big questions together than assuming we have all the answers. Come as you are, and see if we have something to offer you. We wish you and your families a blessed and rich Lent and Easter season!

**FDNA****MORE THANKS AND ARC BLOOD DRIVE**

The members of the Fitzwilliam District Nursing Assoc. would like to thank all the Good People of Fitzwilliam and many Friends who supported and helped with the annual Holiday Remembrance Program. Americans spend more on groceries than almost anything else. That's why we help. This year we served more folks than ever - 50 dinners were delivered! It was incredibly heartwarming to receive enough donations to cover the cost of FDNA food programs, along with phenomenal food drives by Massin's with Santa and Recreation kiddos, Emerson School, ABTech, and The Community Kitchen with help from The Fitzwilliam Inn. We received beautiful hand knitted gifts, cookies, book donations and more. We were helped by many volunteers with good hearts who came to work hard and contribute to a program that shares and supports good people in our town.

We're grateful to the volunteers who delivered dozens of plants, to the Emerson students who made cards, to the FFD and the FR-EMS, to the grocery organizers, to the packing volunteers, to anyone who dropped off a food donation or made a financial gift, to Market Basket, to the Cookie Swap, to Massin Ins., Agcy, to the Fitzwilliam Community Church, to the Newsletter, to Dog Days CSA and to all FDNA friends. Thanks to everyone who cares for their community.

## FITZWILLIAM GARDEN CLUB

The Fitzwilliam Garden Club held its first meeting in February. Member Laurel Cameron helped us paint rocks that we can keep or sell at our spring plant and bake sale in May.

Dian Mathews, our District Director and Master Gardener, will present a program on March 11 at the Community Church on the importance of using non GMO (genetically modified) seeds in our gardens. She will discuss the different ways these seeds are created and the implications they create in our natural ecosystems of wildlife and vegetation. Dian will discuss why we should not plant any of these seeds, and she will discuss the sources of seeds that have not been treated.

If you live in town and have a senior in high school, check with Guidance Counselors to learn more about the scholarships we offer each year. Applications have been distributed, and the deadline for submitting them is March 28. If you have any questions, please contact Gail Hagstrom at [ge.hagstrom@gmail.com](mailto:ge.hagstrom@gmail.com) or check our Facebook page.

Our spring plant and bake sale will be held on Saturday May 24. More details will follow. Something to look forward to during this snowy cold winter!

The Garden Club always welcomes new members, and many of our meetings are held later in the day. Come join us! Email us at [fitzwilliamgardenclub@gmail.com](mailto:fitzwilliamgardenclub@gmail.com) if you would like more information.

**IRISH SODA BREAD**

3 cups all-purpose flour, plus extra for work  
 surface  
 1/4 cup sugar  
 1 tablespoon baking powder  
 1 teaspoon baking soda  
 1/2 teaspoon salt  
 4 tablespoons unsalted butter (1/2 stick), melted  
 2 tablespoons caraway seeds (optional)  
 1 cup regular or golden raisins (or sultanas)  
 1 cup buttermilk  
 1 egg

Heat oven to 350 degrees.

In the bowl of a standing mixer with paddle  
 attachment, combine flour, sugar, baking  
 powder, baking soda, and salt. Add butter,  
 caraway seeds (if desired), and raisins. Combine  
 just until incorporated.

In a small bowl, whisk together buttermilk and  
 egg. Add to dough and mix just until  
 incorporated.

Turn dough onto a lightly floured work surface  
 and fold it over onto itself two or three times,  
 shaping it into a round, 8-inch loaf. Transfer loaf  
 to a baking sheet lined with parchment or a  
 nonstick silicone baking mat. Score an "X" on  
 the top of the dough.

Bake 45 minutes, until well-browned and a  
 toothpick plunged into the center emerges clean.  
 Remove to a wire rack to cool completely before  
 slicing.
